Find out about taking care of your eyes

3rd November 2011

What's it all about?

People with learning disabilities are **10** times more likely to have serious sight problems than other people.

SeeAbility is holding this event to tell people with learning disabilities and their supporters about good eye care.

This event is being chaired by Scott Watkin

At the event you will:

- ✓ Find out about looking after your eyes
- ✓ Hear about SeeAbility's eye 2 eye Campaign and what is happening to help change eye care and vision for people with a learning disability in the UK
- ✓ Find out about good work that is happening to help people look after their eyes and make services better
- ✓ Talk about what needs to change and improve to make eye care better for people with learning disabilities

There will also be some stalls on the day that can help you with:

- Finding an optician
- Learning about eye tests and the equipment used by the optician
- Glasses cleaning and repair
- Equipment for people who can't see well

Who are these sessions for?

The session is for people with a learning disability and their supporters from London and the South East

When is it?

Thursday 3rd November at Skipton House in London

It will start at 10am and finish at 3pm
