

Merton Mencap's Movers & Makers Summer SEN Holiday Camps

Do you have a child with a mild to moderate special educational need who would like to attend a fun activity summer camp?

Is your child aged between 6 and 12 years?

Can they take part in a small group activity, if supported by trained staff?

Merton Mencap's Movers & Makers offer Holiday Camps for children with mild to moderate special educational needs.

Each day will be a balance of calm, physical, sensory and food activities, for example:

- * recycled robots craft
- * balloon tennis
- * yoga
- * cupcake decorating
- * ingredient experimenting
- * music making

The camps have been organised following huge demand from parents for SEN focused activities run by staff and volunteers with experience of supporting children with SEN.

Dates: 23rd- 27th July Early camp 2018
20th-24th August Mid camp 2018
28th- 31st August Late camp 2018

Venue: Albemarle School, Princes Way, London, SW19 6JP
